The Methods of a Frightened and Cowards,
Tyrant—Hundreds of People Batchered
in the Streets By Order of Hippolyte.
PORT AU PRINCE, June 1.—For the
last two or three weeks there had been
rumors that a revolution against Hippolyte was imminent in the capital and
these having reached the cars of the
chief ovecutive be caused the arrest of

into prison.

The outbreak of the rebels occurred Thursday, May 28. While President Hippolyte was attending church a former cabinet minister, at the heat of eighty followers, all well armed, stormed the prison and released 200 political and other prisoners. The relitical and other prisoners. The released prisoners were soon provided
with arms, and when Hippolyte's
troops arrived on the scene there was a
bloody battle.

Hippolyte, fearing that he would be
shot down by some of the rebels if he
appeared on the street, remained in the
church all day guarded by soldiers. He

hurch all day guarded by soldiers. He The Vienna correspondent of the called out the reserve militia and the London Standard says that at least a dozen persons were killed in the recent of the rebels, the former cabinet sinis-

ter, was captured and shot at once. By noon of Thursday forty of the rebels had been captured and put to death. Others were captured and shot on Friday, Saturday and Sunday. Every man suspected of being in sympathy with the insurgents was put to death, without trial, as soon as captured.

The outbreak caused great excite Inez McCabe, the murderess of Judge ly alarmed Hippolyte and his govern-Stein, of Hidalgo, who was confined in ment. The full military reserve force was called out, the custom house and charge of conspiracy to murder and all public buildings were closed, and no one was allowed to leave the city

# DEATH OF SIR JOHN.

OTTAWA, Ont., June 8.-Sir John Mac-PORT AU PRINCE, June 1.—For the last two or three weeks there had been rumors that a revolution against Hippolyte was imminent in the capital and these having reached the ears of the chief executive he caused the arrest of about eighty suspected persons. Among those wanted was Gen. Sully, who, hearing he was wanted, hid himself, his wife was taken instead and thrown into prison.

OTTAWA, Ont., June 8.—Sir John Macdonald is no more. The distinguished statesman who has guided the political destinies of Canada for nearly half a century passed peacefully away at 10:15 o'clock Saturday night, surrounded by the entire household. Lady Macdonald, who bore up so bravely during the fatal illness, was prostrated with grief. Death came peacefully to the aged premier. He was unconscious to the last. The pulse fluttered; the breath

IR JOHN MACDONALD. came shorter, and the pulse was still.

Vhen the announcement of Sir John's death was made the bells of the city were tolled.

The body will be privately moved from Earnseliffe to the parliamentary building and will lay in state there from 10 o'clock Tuesday morning till the morning of the funeral. The state funerat will leave the parliament build-ings at ! o'clock p. m. Tuesday for St. Alban's church and thence to the Canadian Pacific railroad station, whence the body will be conveyed to Kingston. The body will lie in state at the city hall, Kingston, until Thursday noon, when the interment will take place.

# A TEXAS DELUGE.

The Red River Gets on the Rampage and

GAINESVILLE, Tex., June 8.-Red river is on the rampage and a threaten-ing, angry stream above the high water mark. Information comes from above that since yesterday the stream has carried death and destruction in its

The rise was very rapid and unexpected and many people barely escaped with their lives. No damage has oc-curred on this side of the river, but on the other side farms are overflowed and destroyed. The Santa Fe bridge is still intact and believed to be in no danger, but the approaches on the other side are washed away. All communication away. All communication with the Indian territory by rail has been cut off and it will be several days before the damage can be repaired. General Superintendent Irvine and Division Superintendent Downs are both | the 1st of July.

as possible.
Telephone messages from Burlington state that the river is running wild on both sides in that section, and destruction to property has been fearful and some lives lost. North of Doss, a station on the Mis-

souti, Kansas & Texas railway, J. T. Harris, a big stockman, has lost 400 head of beef cattle and lifty-five horses and his farm is ruined. Yesterday afternoon the Santa Fe ran

several excursion trains out to the bridge, and thousands of people had a look at the angry waves. The weather is still cloudy and there is every indication of more rain, but it is believed the worst has passed.

# SHAKEN AGAIN.

Italy Again Shaken Up By an Earthun Houses Wrecked and Several Po Killed. ROME, June 8.—The cities of Vero and Mantua were shaken by an earthquake yesterday and many houses were aged. An invalid lady was so badly frightened by the shock that she Lombardy, Venetia and part of To

cany were visited early in the morning by repeated shocks. The worst shocks occurred about 2 o'clock in the morning. Shocks were felt in Venice and The center of the disturbance was at Verona. A subterranean noise was

heard like the roar of artillery which was followed by three strong shocks. The inhabitants rushed into the streets At Marengo three persons were killed

and at Badiacalvena seventeen were badly injured by falling houses and chimneys At the latter place another shock was felt at 6 o'clock in the morn ing and much additional damage was

character and were more or less over the whole of the north of Italy.

Good For Chicago Bakers CHICAGO, June 8.—The journeymer bakers' council decided to order all the union bakers in the city out on a strike yesterday afternoon at 4 o'clock it a renewal of last year's scale of wages was refused. By the hour named, however, over two-thirds of the master bakers had not only con-ceded the scale but had further agreed to an advance of one dollar per week to all bench hands during the hot months. Nearly 1,400 men would have been affected.

Another Uprising.

LONDON, June 7.—From India com the news of another uprising. This time in the state of Keonjurha where the rebels have swept every thing be-fore them and robbed the treasury of the maharajah and prepared to defend themselves against British interference. themselves against liritish interference. This event is strictly local in its character and is believed not to be formidaber of the original appointees and near-ly all those who were recently given a three months' appointment. pressing his subjects with excessive taxes in order to contribute to the British party and for his own enrich-

### KANSAS CROPS.

Wheat Passes Salely Through a Crisis-Other Crops in Good Condition. TOPKKA, Kan., June 9.-The May crop report of the secretary of the state board of agriculture says: During the month of May the growing wheat of Kansas passed through a

On the first day of the month the con

trying ordeal.

dition of the plant, with comparatively few exceptions, was unusually high. Two weeks later, May 15, the plant over a very large breadth of area, had fallen to an alarmingly low condition. Again, on the last day of May, as reports from the correspondents of this board show, the lost vitality resulting from unfavor-able conditions during the first half of the month was to a large extent regained, the condition for the entire state being reported at 92 per cent. of a father's place by way of the back gate. full average crop, a loss of seven points since the first day of May. The rapid fall in the condition of wheat since the 10. He asked where my father was. I fall in the condition of wheat since the first half of May was due to several causes. The rapid growth of the plant, induced by the highly favorable weather during the last half of April and early part of May, exhausted to a large degree the moisture from the surface soil, there having been but little rainfall for after chatting awhile, asked me if I went out and Benson, after chatting awhile, asked me if I

justify even with the most favorable condition the expectation of more than half a crop. Copious rains, however, commenced falling about that date over the entire state, and the rainfall continuing to be abundant to the end of the month a remarkable change came over the wheat prospects throughout the state. Outside of those districts infested with the Hessian fly, in ton.

plant, its recovery was not so complete.

In no county except in the extreme western portion of the state is the damage to the plant from all causes combined placed at more than 25 per cent. The western half of the state escaped almost wholly from the ravages of the Hessian fly because the wheat was baggage of any kind. She was accussed to the plant from the ravages of the plant from the ravages of the house about 5:30 p. m., taking no baggage of any kind. She was accussed to the plant from the ravages of the plant from the ravages of the plant from the stable. The stable. The stable was money that had been saved by my brother and it was kept in a white bag in my bed. My mother was in good spirits and in good health that evening. She left the house about 5:30 p. m., taking no baggage of any kind. She was accussed. sown late, or if sown early there was not sufficient moisture in the soil to germinate the seed until October. ceivership Vacating Order Entere LEAVENWORTH, Kan., June 2.—In the United States circuit court here to-day, Mr. Justice Brewer presiding, an order was entered in the case of the Mercantile Trust Co. against the Missouri, Kansas & Texas Railway Co. and others, satisfying the decree of foreclosure here tofore entered in that case and directing the receivers to turn over the railinited States circuit court here to-day, ing the receivers to turn over the railway and property of the Missouri, Kanand have acquired by lease 141 miles. They have added in the way of better-

ments, permanent improvements and new equipment a out \$4,500,000. Attempted Bombardment. Iquique, June 9.—The torpedo boats Imirante Lynch and Almirante Condell, accompanied by two armed trans-ports, attempted to bombard Pisagua at long range yesterday. Very few shells reached town and the two vessels soon retired. Congressional ships have gone in pursuit.

Society Greatly Excited. KEOKUK, Ia., June 9. - Society in this city is greatly excited over the ap-proaching nuptials of Miss Georgia Kil-borne and John M. Schofield, com-mander-in-chief of the United States will take place June 18 at noon, at St. James' church, Rev. R. C. McElwain officiating.

NASHVIILE, Tenn., June 9.—It is brought to light here that W. E. Min-chin, for some year, past individual bookkeeper at the American na-tional bank of this city, was a detional bank of this city, was a de-faulter to the extent of about \$13,-000. Minchin left the city in com-pany with his wife May 25, stating he would be absent only a couple of days. His continued absence caused an in-vestigation of his books, with the above result. The bank will lose nothing, as he was booded by a reliable guarantee

# THE BENSON CASE.

trs. Radizaba, the Murdered Woman Daughter, Gives Her Testimony Against

LEAVENWORTH, Kan., June 7.—The sensation of the day in the Mettman case came Saturday afternoon when Mrs. Mary Rautzahn, daughter of the murdered Mrs. Mettman and the paramour of the man who is supposed to have killed her mother, was put on the stand by the prosecution and told freely and fully the story of her wrongdoings. Mrs. Rautzahn gave her age as 28 years, a wislow with two children. She told of her improper relations with Benson, which was approved of by her mother, and said:

"Benson saw me Saturday night, March 15, 1890. He came to my there having been but little rainfall for nearly four weeks. From the unusually rapid growth the plant was tender and was unable to resist the power of hot suns which at times prevailed. The top leaves of the plant appeared to be scorched and the lower leaves turning yellow from lack of moisture, the plant over a large breadth of area in the state appeared to be in a very critical condition.

after chatting awhile, asked me if I thought my mother would give him away. I did not know what he meant, but he continued and said that he would me to take my brother's money and give it to him, and he said that he would see that my mother would never come back to trouble me. About I o'clock he left, saying he was going to Kansas City. The next Saturday evenondition. Kansas City. The next Saturday even-tro make the condition still worse in ing, March 22, at about 10:10 o'clock many places the Hessian fly drew heavily upon the vitality of the plant, and in a good many counties of the state the condition on May 15 did not that I was to go and live with him in justify even with the most favora- Kansas City. The wedding will not be the occasion for an elaborate display of military pomp and ceremony. This step has been taken because of the recent bereavement in the Kilborne family, and it is in accordance with Gen. Schofield's carnest desire. The wedding will take place June 18 at noon, at St. was witnessed by several lookers-on. He leaves a wife and four young chil-

> NEW YORK, June 7.—Chauncey Vib New York, June 7.—Chaincey vis-bard, of this city, in his day the fore-most railroad man in America, and who is regarded to-day as "the father of railroads," died yesterday at Macon, Ga., in the eightieth year of his age. He had not been in good health for a year, and was staying in Macon with his son-in-flaw, A. Craig Palmer, of the Covientes & Macon railroad, to except Covington & Macou railroad, to escape the severity of the northern elimate. Death was the result of a general break-

# KANSAS STATE NEWS.

A destructive hallstorm struck Shawnee county the other crening and did great damage to growing crops. It set in three and a half miles cast of To-peks and ranged southeast. Among the sufferers were Allen Sells, who lost seventy acres of fine wheat and a field of tya John Campbell lost ninety acres of wheat and considerable fruit; J. L. Campbell, wheat, outs, fruit and strawberries, and had all of the window panes knocked out of the exposed side of the house. The hailstones were very large and covered the ground. The damage was estimated to be fully \$50,-

About Judge Horton.

The rumor has been prevalent that the president has tendered the appointment to Chief Justice Horton as one of the judges of the new land court and that this would result in an election next fall for a chief justice to fill the vacancy. A recent Topeka dispe-stated that as a result of a consultat between a number of leading republi-cans and Gov. Humphrey, more than 200 telegrams have been sent to Presi-dent Harrison, asking that the an-nouncement of Judge Horton's appoint-ment be deferred until too late for the November elections, and that if this were impossible, not made at all.

Prof. Snow's Report.
Prof. F. II. Snow's weather report for May says: "The coldest May in over twenty-four years' record, except that of 1882. There were two harmless white frosts on the 6th and 11th. The rainfall was more than 50 per cent. above the May average, and has been but three times exceeded, in 1873, 1876 and 1880. The total rainfall was 6.55 inches, which is 2.27 inches above the May average. The entire rainfall for the five months of 1891, now completed. has been 18.70 inches, which is 6.54 inches above the average for the same
